

PRODUCT DESCRIPTION

FirstDefense™ hand sanitizing mist is sting-free and doesn't dry out your hands because it is both water-free and alcohol-free. This revolutionary hand sanitizer will leave your hands sanitized and feeling silky smooth for up to 6 hours.

Our revolutionary formula protects your hands with an FDA approved sanitizing agent that has been safely used for decades and is 99.99% effective.

FirstDefense™ goes the extra step by microencapsulating germs to prevent their spread while providing a glove-like shield that preserves your skin's natural moisture. Your hands won't have that goopy feeling that you experience when you use a gel-based sanitizer.

Add a few drops of your favorite essential oil, perfume, or cologne for an extra touch of happiness in your life.

Sanitizing hands with the convenient mist is perfect for traveling, school, work, play, and on-the-go families.

INGREDIENTS

Active Ingredient: Benzalkonium Chloride 0.12%

Inactive Ingredients: Modified coconut oil, proprietary mixture of cosmetic grade organo-silicone polymers.

DIRECTIONS FOR USE

Apply 1-2 mists directly to hands; rub together for 20 seconds making contact between all fingers until dry, silky smooth and soft.

CAUTIONS

For external use only. When using this product, avoid contact with eyes. Stop use and ask a doctor if irritation and redness develop. Keep out of reach of children!
